There are loads of fun things that you can do as a Cub Scout. You will get a chance to try lots of different activities like swimming, music, exploring, computing and collecting. If you do them properly you will get a badge, which you can wear on your uniform. Cubs are aged 8-10½

Cub Scouts also get to go on trips such as day hikes and you will be able to go camping with the rest of your Pack. This will mean you sleeping in a tent and doing loads of outdoor activities.
