## Gas in Waterhouses a Pipe Dream ?

You may remember quite some time ago a survey was conducted to ascertain who MAY be interested in paying for gas to be supplied to our village.

Unfortunately due to the lack of interest, only a third of the households asked replied positively, the financial cost for the installation has now proved prohibitive and the possibility of natural gas coming to our village seems very remote indeed.

## WHO ARE THESE ELEGANT LADIES AND WHERE ARE THEY GOING?

Like Christopher Robin and Alice, Suzy and Rhona have been to The Palace.

On Tuesday 20<sup>th</sup> May they represented our Association at a reception in Buckingham Palace.

After a formal introduction to both the Queen and Prince Philip they joined approximately 150 guests in large reception rooms overlooking the Royal Gardens. Whilst the Queen, Prince Philip, Princess Anne, together with lots more Honourables, circulated and chatted to the guests they stood beneath the biggest chandeliers ever and thinking of the Only Fools and Horses episode.

They were treated to champagne and canapés, ever seen bite size roast beef and Yorkshire pudding or strawberry and fresh cream tarts the size of your thumbnail!!!

Prince Philip asked where Waterhouses was and enquired about our Association, he was told how proud they were to represent all our hard working volunteers and of our work and achievements.
