Are you diabetic?

Introducing:

Hello my name is Melissa Roach and I work for the Durham and Chester Le Street Lifestyle Initiative specialising in working with Diabetes. We deliver a range of physical activities, aimed at encouraging active lifestyles, to improve health, well being and quality of life.

I want to encourage those in Waterhouses and in the surrounding areas to let me know what physical activity opportunities might help you, so that we can provide what YOU want, whether sessions aimed at the over 50s, lifestyle classes, or something else. I am also happy to talk to you about what might best meet your own individual need, relating to exercise and lifestyle.

So if you have Diabetes or you know someone else with Diabetes who might benefit from being involved in this way then please don't hesitate to call me on 0191 3895093.
